1. 2012 Strategic Plan Updates

Communication

No update

Advocacy

No update

Professional Development groups

Michael Moore (PHAA CEO) will be in Brisbane on the 20th August to present on Advocacy. The venue is CCQ. Promotion of this event will occur shortly.

2. Update from Branch President's meeting

Meeting is scheduled for Friday 13th July.

3. Other Business

4. Correspondence

- Accountable IT has gone into receivership. They unsuccessfully managed our website and domain name. I have written to the new owners outlining the issues we had with the company and indicated we wished to end our business with them.
- We received a letter from Minister Springborg re PHAA's letter on the closure of Healthy Communities
- I am very please to announce that one of our nominations for the new MAC HIV/AIDS advisory group, Elisha McGuiness has been accepted and is now on the committee.

Next Meeting: Monday 13th August.
